STATE WATER RESOURCES CONTROL BOARD

DIVISION OF WATER RIGHTS

In the Matter of License 4465 (Application 13438)
William Bertram

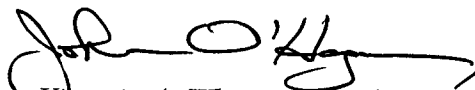

ORDER REVOKING LICENSE

SOURCE: Squaw Hollow Creek tributary to North Fork Cosumnes River
COUNTY: El Dorado

WHEREAS:

1. A triennial Report of Licensee for 2002, 2003 and 2004 dated March 8, 2005 has been received from the Licensee requesting revocation of the license by the State Water Resources Control Board (State Water Board), Division of Water Rights (Division).
2. The Division interprets the Licensee's request for revocation as a waiver of the notice and hearing requirements set forth in Water Code sections 1675 through 1675.2.

Therefore, it is ordered that License 4465 is hereby revoked by the State Water Board, and the water is declared to be subject to appropriation. This revocation may not result in additional water being available for new appropriations if there are applicable restrictions due to past State Water Board decisions regarding water availability.

STATE OF CALIFORNIA—STATE WATER RIGHTS BOARD

License for Diversion and Use of Water

APPLICATION 13438

PERMIT 8096

LICENSE 4465

THIS IS TO CERTIFY, That Frank Bailey and Nellie Bailey Notice of Change (Over)
P.O. Box 283, Placerville, California

have made proof as of August 1, 1955
(the date of inspection) to the satisfaction of the State Water Rights Board of a right to the use of the water of
Squaw Hollow Creek in El Dorado County

tributary to Martinez Creek thence North Fork Consumnes River

for the purpose of irrigation use
under Permit 8096 of the State Water Rights Board and that said right to the use of said water has been
perfected in accordance with the laws of California, the Rules and Regulations of the State Water Rights Board and the
terms of the said permit; that the priority of the right herein confirmed dates from November 1, 1949;
and that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited
to the amount actually beneficially used for said purposes and shall not exceed thirteen thousand five
hundred (13,500) gallons per day to be diverted from about June 1 to about
October 1 of each year.

The equivalent of such continuous flow allowance for any thirty day
period may be diverted in a shorter time if there be no interference with other
vested rights.

The point of diversion of such water is located south thirty eight degrees thirty
minutes east (S 38° 30' E), one thousand seven hundred sixty (1,760) feet from
NW corner of Section 36, T 10 N, R 11 E, MDB&M, being within SW $\frac{1}{4}$ of NW $\frac{1}{4}$ of
said Section 36.

A description of the lands or the place where such water is put to beneficial use is as follows:
4.25 acres within SE $\frac{1}{4}$ of NW $\frac{1}{4}$ of Section 36, T 10 N, R 11 E, MDB&M.

This license is granted and licensee accepts all rights herein confirmed subject to the following provisions of the Water Code:

Section 1625. Each license shall be in such form and contain such terms as may be prescribed by the board.

Section 1626. All licenses shall be under the terms and conditions of this division (of the Water Code).

Section 1627. A license shall be effective for such time as the water actually appropriated under it is used for a useful and beneficial purpose in conformity with this division (of the Water Code) but no longer.

Section 1628. Every license shall include the enumeration of conditions therein which in substance shall include all of the provisions of this article and the statement that any appropriator of water to whom a license is issued takes the license subject to the conditions therein expressed.

Section 1629. Every licensee, if he accepts a license does so under the conditions precedent that no value whatsoever in excess of the actual amount paid to the State therefor shall at any time be assigned to or claimed for any license granted or issued under the provisions of this division (of the Water Code), or for any rights granted or acquired under the provisions of this division (of the Water Code), in respect to the regulation by any competent public authority of the services or the price of the services to be rendered by any licensee or by the holder of any rights granted or acquired under the provisions of this division (of the Water Code) or in respect to any valuation for purposes of sale to or purchase, whether through condemnation proceedings or otherwise, by the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State, of the rights and property of any licensee, or the possessor of any rights granted, issued, or acquired under the provisions of this division (of the Water Code).

Section 1630. At any time after the expiration of twenty years after the granting of a license, the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State shall have the right to purchase the works and property occupied and used under the license and the works built or constructed for the enjoyment of the rights granted under the license.

Section 1631. In the event that the State, or any city, city and county, municipal water district, irrigation district, lighting district, or political subdivision of the State so desiring to purchase and the owner of the works and property cannot agree upon the purchase price, the price shall be determined in such manner as is now or may hereafter be provided by law for determining the value of property taken in eminent domain proceedings.
